Logo usage

Do not squish scale or rotate the logo in any way that distorts the shape.

Do not resize the Logotype in proportion to the icon use only the formats supplied.

Do not recolour the logo in any way. Use only the lofos supplied in the logo kit.

Logo formats

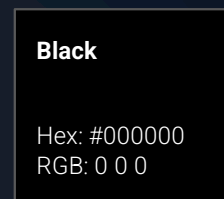

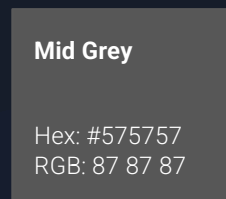

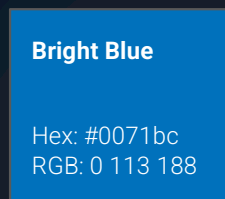

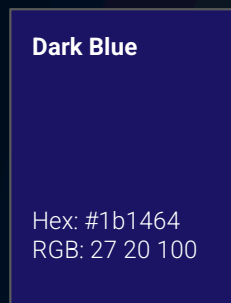

The Logo Kit contains the following logos

Favicon
Standard Icon
Standard Logo

For light and dark backgrounds, provided as Transparent PNGs & SVG, other formats and sizes on request.

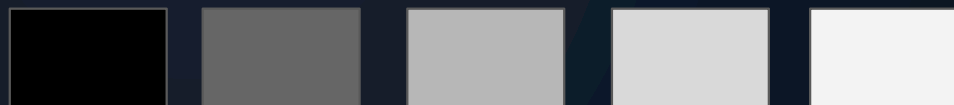

Color Palette

If using light backgrounds a light grey can be used alongside darker shades of black.

When creating designs use the bright colors sparingly to highlight content.
